

The Book of Jonah — Word Lists

Hebrew Words, English Definitions, Frequency Data

This document contains all of the Hebrew words that occur in the Book of Jonah along with their basic definitions and frequencies. This data has been laid out in three separate word lists, the only difference between the lists being the sorting order.

By way of acknowledgement, these lists were generated using BibleWorks 6. The frequency counts and definitions (apart from some minor modifications) are also from BibleWorks 6. More information on this powerful software can be found at www.bibleworks.com.
